THE TRUTH ABOUT AWITI

by CP Patrick

1. What was your favorite chapter in *The Truth About Awiti*? Why?
2. What are your thoughts on the spiritual aspects of slavery? Does it challenge your religious beliefs?
3. Research has shown that the effects of trauma can be passed genetically, with some research indicating that the effects of trauma last up to four generations. Do you believe that Blacks are still dealing with trauma from slavery?
4. *The Truth About Awiti* allows the reader to experience the Trans-Atlantic slave trade through the eyes of many of its victims. Were there particular narratives that you had never heard before? If so, which one(s)?
5. Many readers expressed having a range of emotions while reading *The Truth About Awiti*. Heartache, disappointment, revenge and anger—just to name a few. How did you feel while reading the novel? And after?
